THE SPARTAN
1971
VOLUME XIV

THE DAWNING OF A NEW AGE

An age of change in education
And the manner in which we run a nation;

Our leisure is geared to enjoying sports
On the open field and the indoor court —
Or listening to the rock and roll beat
In the country, the dance floor, or in the street.

An age of speed as we soar to the moon
With most of the controls in a computer room.
Exhausts and smoke stacks have polluted the air
And insecticides on foods give people a scare.

The girls are exciting in their bright midi skirts
And the boys are dashing in their body shirts

An age where changes will never cease —
As we frantically search for lasting peace.

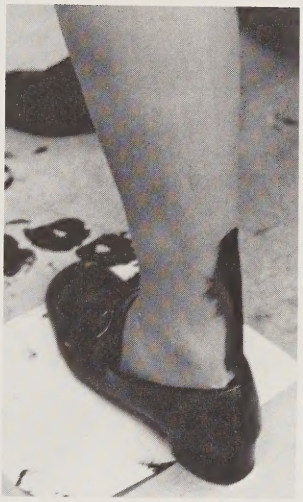
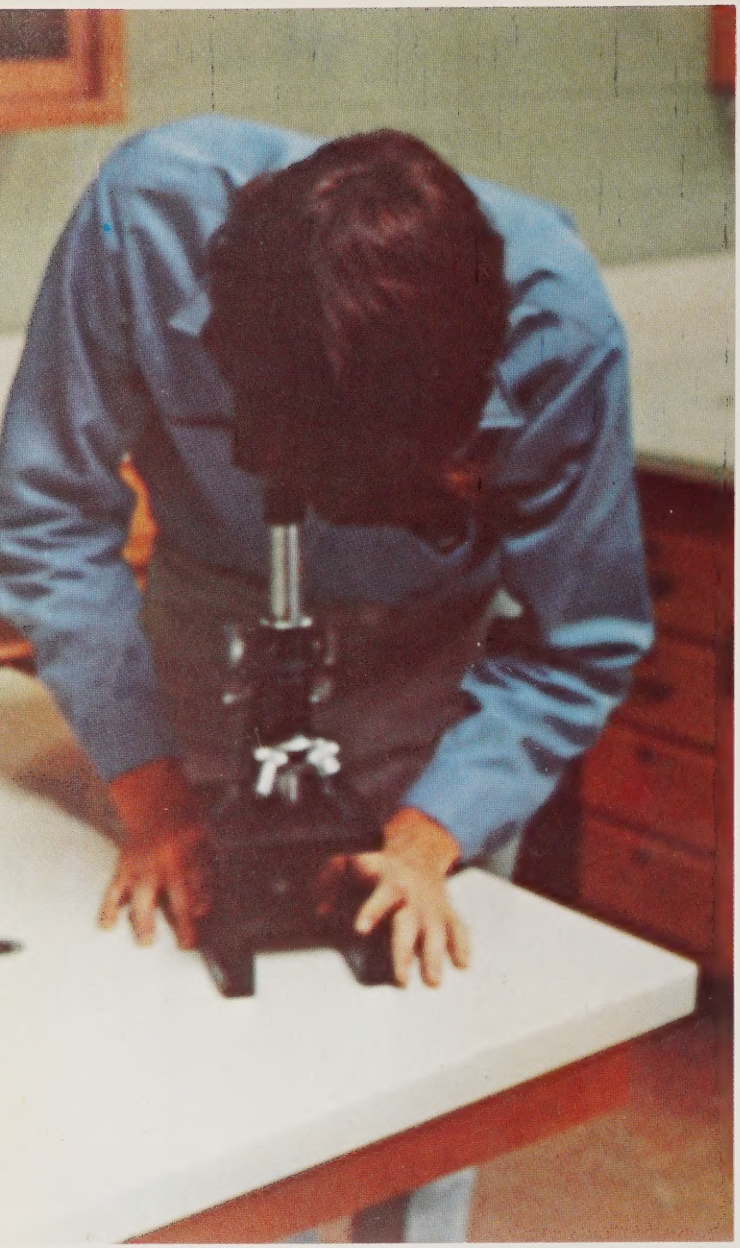
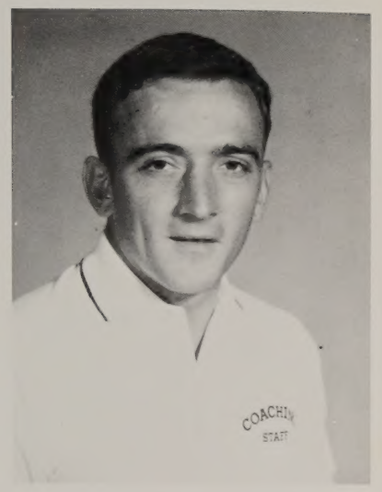
SHE'S
THINKING





As we frantically search for lasting peace.



So impressive is this gentleman, his contributions to our school and society can never be repaid. Never has anyone influenced the lives of so many, so greatly. He is a man of strong convictions, both morally and spiritually, and always believes in fair play. He advocates to all athletes that first comes their church, their family, their school work, and then their sports, and in that order.

This gentleman makes biology appeal to those who even could care less about the subject. His great ability of simplification makes one understand and appreciate what otherwise could be considered dull.

Central is very fortunate to have such a high calibre teacher, leader, and coach. For his many contributions, we, the Senior Class of '71, dedicate the SPARTAN to Mr. Jerry Hampton.

Our New Life Is Just

The new age at Central High School dawned on August 26, 1970 when a new breed walked through the halls. The Class of '71!

Juniors Await the Dawning of Their

Juniors were immediately faced with new responsibilities upon their arrival at school. Plans for the Jr.-Sr. Prom began with the magazine sale. They struggled through the PSAT and endless achievement tests. Capable leaders were sought to carry out various phases of school activities.

As the Juniors look back on their first three years at CHS, they have many fond memories. But now is the time to look forward — the class of '72 is on its way!

Junior Class Officers are as follows: Rhonda Smith, Secretary; and then left to right, Danny Story, Treasurer; Greg Younts, President; Scott Sink, Vice—President; and Larry Younts, Representative.

A New World

New school, new faces, new friends; all of these greeted freshmen as they entered Central. Their tremendous school spirit, contributions to sports, and scholastic achievements soon made them a real part of the student body.

This was a year of exploration and learning about high school life for the freshmen, and they have done their job well.

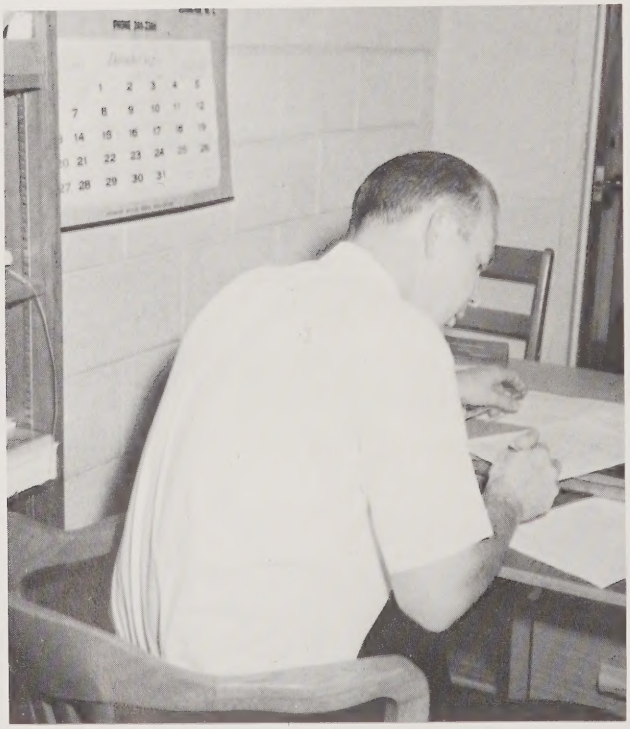
The Special Force

Even though they say no one is indispensable, our administrative staff comes under this classification. CHS would be entirely lost without them and their valuable help. Guidance, supervision, leadership, personality, and a job well done best describe our administrators, Mr. D. H. Young, and Mr. Clayton Swicegood.

Mr. Young busily prepares for another day.



Mr. Swicegood works on the absentee list.

With the dawning of a new age, many new innovations have come to our guidance, library, and special education departments.

English Students "Express Themselves"

Mrs. Nell Sharpe carefully explains a new procedure to her students.

English, being the spoken language of the students at CHS, is one of the most important fields of study in our curriculum. This year our journalism classes have added a whole new phase to the field of English, and have given much enjoyment to the students. Drama is another important phase in our course of study — we learn to speak through the use of words and to use our physical attributes. All in all, '71 has been a good year for Central in the English department with our students becoming fluent in the use of the language and the mechanics of writing English.

Foreign Languages Motivate New Hope for World Peace.

"Bonjour, Monsieur, and Hola,!" these are the many phrases that are repeated simultanously in our foreign language departments. Central offers the foreign languages of French and Spanish, teaching the use of the language and the foreign customs of each country's people.

Mrs. Harris explains the conjugation of one of the irregular verbs in French.

Mr. Allen enthralls his students with many tales about the mysterious and interesting Spanish people.

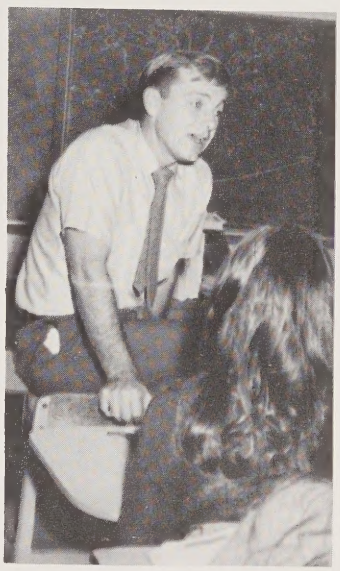
W.W.I., W.W.II, Korea, Vietnam?

The Current Affairs Class in our history department keeps the whole school abreast of what is going on in our world of today, which is ever fast-changing and fast-moving.

In the dawning of a "new age", it gave us many new pages of history to examine and try to learn from our past mistakes. Through our current affair, world and American history, and civics classes. CHS has provided its students with a profound knowledge of today's new age.



Mr. Thomas relates a personal experience to show how history repeats itself for many years to come.

Mr. Holmes strives to help his students see all the steps leading to the answer of each problem.

Through trial and error and the power of reasoning many mathematicians at CHS have been able to derive many answers in the world of mathematics. Students learned that math has been in existence since the beginning of time. With the dawning of the new age, math has a new age also and that is the "computer."

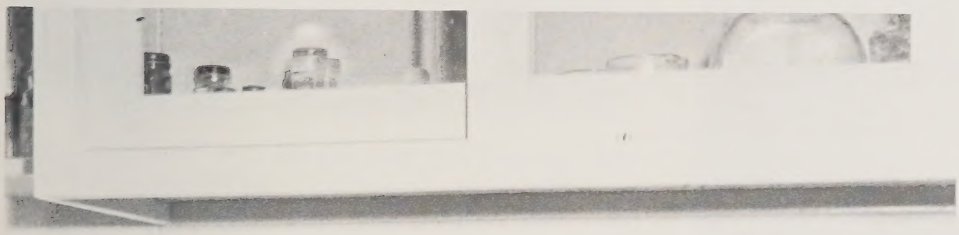
Remember E = mc²

Along with dissecting frogs, formulating formulas for experiments, checking weights and gravitional forces, Central allows its students to expound their knowledge in the science program. Learning about man and all the problems he will face in the future is, of course, the best training for our future scientists. Each new age brings its problems, and we are solving ours at CHS.



To be an accomplished scientist, one must be familiar with all the tools in the trade.

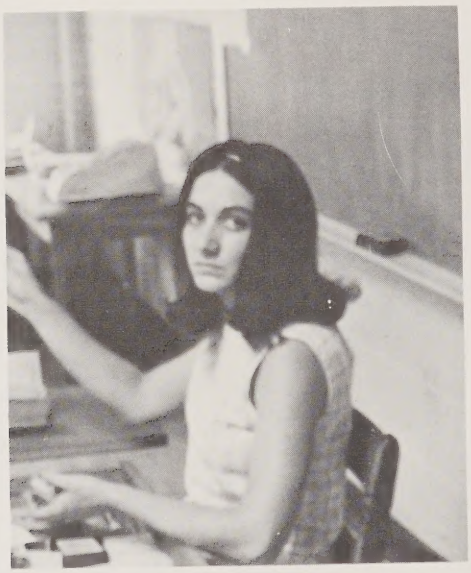
Mr. Craver explains the fundamentals of a typewriter to his class.

In our business department, typing and shorthand became a new language for some. It reminded many of having to learn their ABC's all over again. We have had many amusing moments watching our nimble-fingered students get the knack of punching those keys.



Many fees must be collected in the business department. Mrs. Albright performs this duty in typing class.

The physical fitness program strengthened many new muscles at CHS during the year. Health and physical education became very popular with the newcomers at Central. It provided them with aid in developing coordination, training skills, and new timing techniques.

Learning the popular and latest dance steps helped many boys and girls overcome their shyness.

At CHS in the fine art department we offer many aspects to our students for selection. Among these are art, chorus, band, drama, and not qualified as a fine art, but a necessary art, driver's education. The art class has boosted the spirit of the students by providing exciting and eye-catching posters in the halls before ballgames. Our band has gotten into full swing this year by traveling and performing at all the football games and by familiarizing everyone with the "Spartan beat." Drama and chorus have added much to the entertainment of the students by providing the talent for many of our assemblies. Lastly, driver education has opened many highways for the students at CHS.

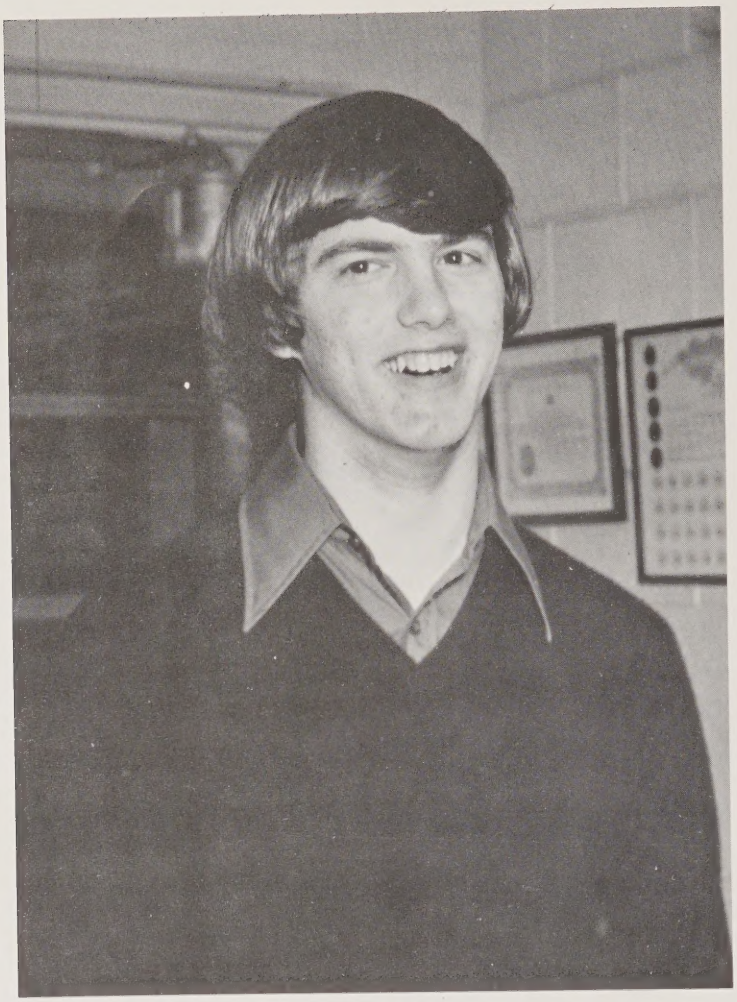
The Guy at the Top



John has a smile for all he meets.

John Roever, our student body president, is a person who is admired by the majority, but known to all. He is different from the ordinary student in that he knows the way people feel and what to expect from them. He is a great person as a friend and has great dignity as a representative for our school. John is an independent, understanding, and intelligent person and these are all requirements for the student body president.

Although John has only been here two years, in that short time he has made a lasting impression on Central and its students. All want to thank him for a job well-done.

Time to study for that next test!

Over Troubled Waters

The F. C. A. huddle at Central had many interesting meetings this year. They saw films of lectures of "winning" and Christian-like sportsmanship. An entertaining singing group known as "Just Us" made their appearance at one of the meetings.

Last fall the F. C. A. was very active in raking leaves for many people to earn money. They sold advanced tickets to see "For Pete's Sake." The F. C. A. helped sell the tickets for the "Men of Song" program also presented.

The F. C. A. earns money to send boys to the F. C. A. camp. The F. C. A. has become one of the most active clubs at Central.

Fourteen members were inducted into Central's chapter of the National Literary Organization for Young Journalists this past fall. One must have proven his journalistic abilities in either the yearbook, school newspaper, or magazine to have been inducted. This year Central produced many outstanding writers to compose our literary publications. Among many of its members, several attended a journalism seminar in Athens, Georgia in the spring. They attended classes on business management, photography, and editing.

Our Own *McCall's, Jack & Jill, Seventeen, Bride, Life,* and *Play-*

Poetry, short stories, and essays were displayed in Central's *SPARTA-SCRIPT* this year. All the work that was included in the magazines were original works done by none other than the Central students.

Here's introducing the news that wouldn't be the news without them — the *Spartacus.* Layouts and deadlines had to be met many times as the newspaper rolled away on the press. This year something new was done with the selling of both the newspaper and the magazine; they were sold by a combined subscription with the guarantee of fifteen newspapers and two literary magazines. Many writing contests were held to spark interest among the students. Also the staff introduced a new column to the newspaper — the Uncle Delphus letter corner — and this sparked enthusiasm among the students to have their problems answered.

Write those stories!

Pat Hedrick types all that copy.

Ramona is in deep thought over ideas to go along with the theme of the annual.

Would You Believe It?!?!??

A book of memories was compiled by this group to give you the student a look at the past year and its accomplishments. The staff worked earnestly displaying time and talent in managing the business of the book and compiling all the information in a neat, we hope, layout to represent all the happenings and achievements of this too soon gone year. This is our salute to CHS.

Editors from Left to Right: Trudy Jones, art; Renee Crotts, editor-in-chief; Vicki Regan, business; Stephanie Hedrick, copy; Becky Cagle, picture; and Lynn Floyd, sports.

Students who enjoy music are given a chance to express their talent of enjo ment by joining the chorus. Vickie Morrow did an excellent job in playing for the chorus.

Central's Band Takes

The Central High School Band of 1971

The band did an outstanding job in promoting and displaying school spirit this year by performing at all pep rallies and all the football games. The Spartan band produced the fine sound of the school fight song.

The band participated in four parades this year; one in Thomasville, two in Lexington, and one in Denton. The band program has grown considerably in the past year spreading to all the feeder schools.

A Band Booster's Club was formed this year to help support the growth of the band at Central. They have already furnished many new instruments and are in the process of ordering more.

The Varsity and Jr. Varsity Cheerleaders have done one of the best jobs in promoting school spirit this year that has ever been done at Central. They found what school spirit was, and they made it "come alive." Spirit reigned at all the ballgames and constantly in the halls.

Selling ribbons, making posters for the halls, decorating for Homecoming, awarding the "spirit stick," and putting streamers on the cars were all done in promoting spirit.

During the past summer several of our cheerleaders attended a clinic held at Davidson County Community College. We all say "Thanks for the peppy enthusiasm displayed this year."

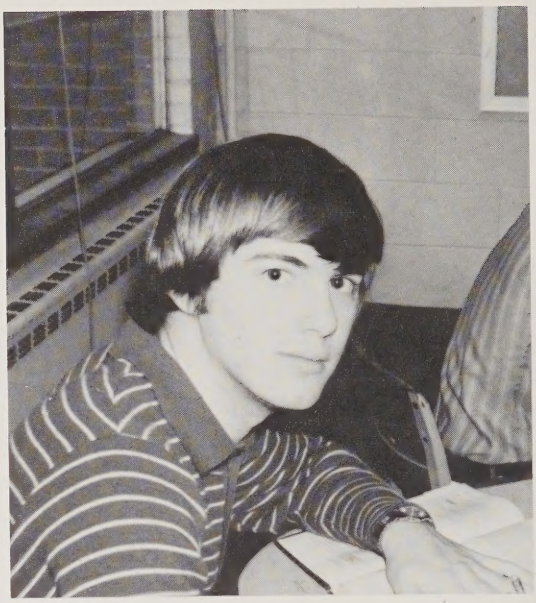
Who's Who

The most outstanding honor that a senior can receive is to be elected by the faculty to represent Central in the Who's Who. They must be outstanding in the fields of scholarship, athletics, service, leadership, and character. We, the annual staff, would like to take this opportunity to pay tribute to the following outstanding students of our school.



John Roever has been an outstanding member in the 1971 senior class. He has been involved in the National Honor Society, on the newspaper staff, a homeroom officer, a member of the pep club, a nominee for Governor's School, president of the student body, on the student-faculty committee, a member of the public relations committee, a Jr.-Sr. waiter, a member of the Key Club, and consistently on the honor roll all four years in high school.

THE BIG RED!!!

It was a good year for the Spartans this time. We had changed conferences in hope of good fortunes for ourselves and our supporters. We were now members of the new Davidson-Randolph Conference. In pre-season predictions, we were listed as being in a rebuilding year and not a contender for the conference championship. But the BIG RED struck again and came in second place in the conference.

Three players were selected to the All-Davidson-Randolph Conference team. They were Michael Mayhew, end, David Hunt, Quarterback, and Ronnie Cecil, defensive back. Four players received honorable mention to the team — Donnie Verdell, Greg Younts, Anthony Hunt, and Blaine Tysinger.

We are eagerly looking forward to an even better and more outstanding year in '71-'72 for the BIG RED of Central Davidson High School.

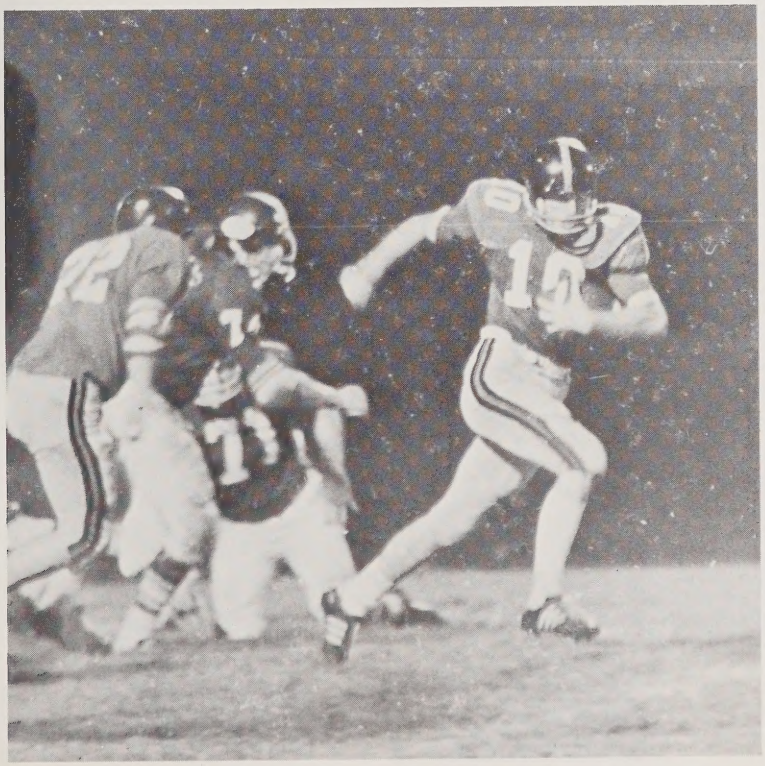
Younts is brought down by a host of North Davidson defenders.

Big Red, Let's Go

Hunt drops back to pass.

In our first game, we were defeated by a strong Mount Pleasant team, and everyone was expecting a long season. The BIG RED suddenly came alive. They reeled off five straight wins over conference foes and led the conference. In a non-conference game, we were defeated by North Davidson by the score of 13-12. In our next game, we had a letdown against West Davidson and lost 36-6. If we would have won the game, it would have meant that BIG RED would have beeen conference champions.

Throughout the first part of the season, Central received high rating in the State 2-A classification. At one time we were rated as Number 6 in the state of North Carolina. But late season losses knocked us out of the ratings. Next year we are all planning for the big trophy and being Number One all the way.



David Hunt scrambles for that needed yardage.

We've Got That Feeling . . . Oh Yea!

Central's Mat Team

This year's wrestling team jumped off to a very good start by beating arch-rival, North Davidson. Led by co-captains, Bobby Young and Willie Crawford, the team went on to a high accumulation of victories.

Experienced returning lettermen made good showings at all of the matches. However, the underclassmen contributed fine team effort and good attitudes.

Recognition goes to Willie Crawford for being the first Spartan to attain The Associated Champion Wrestler of the 138 pound class.

In the Bi-Conference Don placed sixth in the mile with a time of 4:50.1. In the Association Don improved his time 4:45 and placed third and won a medal. Evans clowns around.

During the 1970 season the golf team handed sound defeats to North Davidson and West Rowan. One player, Jay MacDaniel missed the cut-off for the conference golf tournament by a mere four strokes, the cut-off being 80.

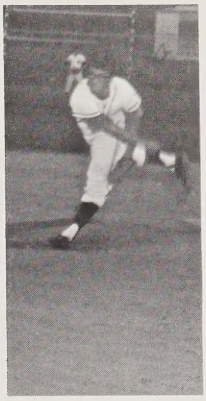
This coming season the Spartan golf team would be heartily and enthusiastically supported by all the students of CHS.

Timmy Varner tees off.

Golf team gets ready.

Let's Hear Some Chatter!

1971 Baseball Team



Grubb fires one in.

David Hunt covers first base.

Hunt gets ready to pitch a slow curve ball.

The Spartan baseball team's season has a record of nine wins and nine losses. Our players showed in their games that they were a solid team and a great bunch of young men. Winning was their foremost thought in every game, and being coached by Mr. Alexander was a good stimulus for this winning attitude. They were looking forward to a better and more winning season next year.

Wayne Johnson gets a hit for Central.

"New World Coming"

There's a new world coming and it's just around the bend.
There's a new world coming; this one's coming to an end.
There's a new voice calling.
You can hear it if you try, and it's growing stronger with each day that passes by.
There's a brand new morning, rising sweet, and clear and free;
There's a new day dawning that belongs to you and me.
Yes, a new world's coming, the one we've had visions of—coming in peace; coming in joy; coming in love.

A NEW WORLD COMING . . .

The words "A Dawning of a New Age" and "A New World Coming" describe how the world is changing and the people in it. The students at Central this year have seen a great number of changes from the past. The senior class will be entering a new age shortly. A New Age is coming and how are we, students of Central, going to face it?

As Editor, I would like to take this opportunity to thank the staff, photographers, and especially our advisor, Mrs. Stiffel, for all the long hours and hard work that went into this yearbook. I hope the Class of '71 and all the other students at Central will realize that there IS a new age dawning, and we need to prepare ourselves to meet the challenges of this new age.
